CONTOUR®

Our brand new **Star Contour**® is made to "contour-fit" to the roof of your pick-up truck or vehicle. The injection-molded polycarbonate base combines with a rubber-coated vacuum magnet to "custom" mount on to your vehicle. The result is a perfect fit with no scratches to your paint.

Specifications and Features:

• Extremely low profile!
• Full 360° Class I LED light output available
• Super bright M-Tech Plus® LED technology provides superior warning light image
• Durable polycarbonate, injection-molded domes are fully gasketed to protect against moisture
• Conformal coated circuitry protects against shock and vibration
• Permanent Mount:
      20 Customer selectable flash patterns via external pattern select wire
      S-Link System™ synchronizing capability with up to six Star LED units
      24" wire leads
• Magnetic Mount:
      20 Customer selectable flash patterns
      12' cigarette plug adapter with lighted on/off and pattern select switches
• Dimensions: 3"H x 16 1/2"L x 8 3/8"D
• Voltage: 10V - 30V DC, or 10-16V DC on mag. mount
• Amp Draw: 2.3 amps (max)
• Dome Colors: Amber, Clear, Red, Blue and Green
• LED options: Amber, White, Amber/White, Amber/Blue, Red/Blue with Clear dome
